Dear Parents,

### Transition to Next Year

As the children will soon be moving onto their new year group in September, we have been reviewing the classes in each year group and considering how best to group them in the new academic year.

As such, we are planning to re-group the classes for all year groups (current Year 3, 4 and 5). This decision has been made to ensure that we have a more even balance of ability across classes.

Over the coming weeks, we will be working together to consider how the children are grouped in September. We will be working hard to take into account friendships, ability, personalities and interests to ensure that we get it as right as possible for all our children. As you can imagine, this takes a lot of time.

Next week, we will begin the process and as part of this, we will be talking to the children – asking them for their thoughts on who they might like to be with. This will form part of our decision-making on groupings.

If you have any questions or comments about this, please contact your child's class teacher – through emailing the **school office by Friday, 26<sup>th</sup> May**.

Yours sincerely,

Tracy Keefe
