22<sup>nd</sup> September 2023

Dear Parents,

### ***Year 4 Bikeability Training***

Your child is invited to take part in a free Bikeability level 1 training course on 27<sup>th</sup> November 2023. It will take place during school time, and will involve the children learning to cycle safely. The training will take place on the school grounds and doesn't involve any on road element at this level.

Bikeability is the only approved cycle training programme supported by the Department of Transport. The course is designed to improve fundamental cycle skills as well as giving children the confidence to ride more often. All training will be delivered by fully trained DBS checked National Standard Instructors. Anyone wishing to take part in the session **must** already be able to ride their bike.

Children will need to bring in their own bike to school which should be in a **roadworthy condition**, together with a cycle helmet and appropriate clothing (waterproofs, a warm coat and gloves).

The sessions will be free. Places are limited and will be booked on a first come first served basis. If you would like your child to take part please read the attached forms carefully and complete the consent form, returning it to the school office **by Friday 29<sup>th</sup> September 2023**.

If you have any queries, please do not hesitate to ask.

Yours sincerely,

Tracy Keefe
